

Important guidelines for the visit of medical practices

If you visit a medical practice, the Upper Austrian Medical Chamber in accordance with the Austrian Ministry of Health, asks you to strictly follow these guidelines:

If possible, only visit your doctors office after scheduling an appointment!

Keep a distance of 2 meters to other patients!

Stick to the appointment time!

Sneeze and cough into a disposable paper tissue or into your elbow!

Wear a face mask!

If possible, wait outside the practice!

Before checking in at the reception desk, wash your hands for at least 30 seconds.

Change your face mask or wash it in the washing machine after visiting the medical practice!
